

# Glacier View Ranger District Trail Condition Report

*Last Updated 9/29/2023*

## Reporting Overview:

A trail status of cleared only means that the trees have been cut off of it. Trails that have been cleared may continue to experience downfall after the reported clearing date. Caution should be used when evaluating water crossings. High and fast-moving rivers and creeks may be encountered. Trails that have been cleared may still have heavy brush. More detailed trail information is available by calling the Hungry Horse - Glacier View Ranger District at 406-387-3800.

Please be aware there may be snow on the trails at higher elevations. Also, note that not all trails may be cleared, and that trail conditions can change quickly. If we do not provide information for a trail or trail segment, then we have not been on that trail segment yet this season.

See [Table 1](#) below for detailed trail information.

*Please visit the [Flathead National Forest](#) website for more information. If you have questions, please call the Hungry Horse-Glacier View Ranger District at 406-387-3800, M-F 8am-4:30pm.*

## Construction Notice

*There will be a full road closure for the last 5.1 miles of the North Fork Road to the Canadian Border starting August 6, 2023 through October 2023. Partial road closures with 30 min delays should be anticipated on sections of Belton Stage Road, Blankenship Road, and Glacier Drive between Polebridge and Polebridge Ranger Station.*

Find direct information at the [Federal Highway Administration website](#).
